LEGAL EXPERIENCE

Michelle Behnke & Associates, Madison, WI

February 1998-present

Practice in the areas of business, real estate, and estate planning. Business work includes counseling on the choice of entity, formation of entities, asset purchase and stock purchase business sale transactions. Real estate work includes drafting commercial purchase agreements, leases, easements, condominium declarations, handling tax deferred exchanges and new construction contracts. Work also includes preparation of loan documents for SBA 504 Loan Program and SBA 7A loans for lenders. Estate planning includes drafting wills, revocable living trusts, advanced medical directives, and durable powers of attorney for financial matters as well as estate and trust administration. Manage all aspects of firm operations and firm staff.

Major Projects: Some of the more substantive projects have included a cross border asset acquisition; real estate refinancing with insurance companies, acquisition of multiple parcels for development; local counsel for lender financing a \$42 million mall redevelopment project; annexation of property into the city limits; acquisition of real state for franchisee of multi-venue fast food venture; multi-location sale lease back transaction; and real estate development including financing, refinancing, and seeking municipal approvals (entitlements) for the project.

CUNA Mutual Insurance Society, Madison, WI

February 1993-1998

Practice as in-house counsel in the areas of mergers and acquisitions, international and general corporate law providing representation to the approximately fifty corporations that comprise the CUNA Mutual Group including advising the board with respect to corporate voting requirements, policies and procedures. Mergers and acquisition practice included due diligence, drafting and negotiation of the purchase documents, analysis under antitrust laws and regulatory compliance. International practice included formation of foreign subsidiaries, branch office registrations, formation of joint ventures and drafting various management, coinsurance and marketing agreements. General corporate matters include documenting corporate action and drafting consulting, marketing and service agreements.

Major Projects: Formation of foreign subsidiaries in Ukraine, Taiwan, and Indonesia. Also had a lead role in the acquisition of a private mortgage insurance company and reactivation of licenses in 35 states.

Practiced in areas of general corporate, real estate, and intellectual property. General corporate practice included formation of new corporations, private placement transactions, and acquisitions of existing entities through stock or asset purchase transactions. Real estate practice focused on residential real estate and commercial lease transactions. Intellectual property practice limited to trademark and copyright protection.

Major Projects: Significant work on private placement for franchise car wash business and acquisition of 2.3 million dollar a year business by group of employees.
